Where do my study words come from?

The Scripps National Spelling Bee is pleased to partner with presenting sponsor Kindle in creating a new kind of spelling bee study experience. Good words come from good books, and this year each word on the study list can be found in one of the exciting Kindle e-book titles listed below. Each of these books is available on Kindle e-readers as well as the Kindle app and is enabled with Word Wise to help spellers master the meanings of words while seeing them in context.

Kindle puts the tools and resources spellers need right in their own hands. With a Kindle e-reader, students can bring thousands of books with them without weighing down backpacks, and unique features teach new words quickly without ever having to leave the page. Adventure and knowledge await with Kindle and the School Spelling Bee Study List!

Kindle Key Features:

Word Wise

Short and simple definitions within the context of the sentence automatically appear above difficult words to improve comprehension.
