

Notice: Student Academic Standards for the School District of New Berlin  
July 25, 2016, Board Meeting

In support of our “[Vision of our Graduate](#)”, the School District of New Berlin will provide a rigorous and relevant curriculum delivered by high quality educators who use innovative and research-based teaching strategies, technology and mentorship to ensure students can transform knowledge and skills into solutions, new information, and products. We strive to prepare all students for success in a global 21st century work environment.

The standards listed below have been identified and selected to align expectations for students with key external assessments (ex. WorkKeys, ACT, SAT) used for college and career.

Primary instructional materials to support the following standards are reviewed and approved by a committee and the Board of Education.

<b>Content Area</b>	<b>Curricular and Instructional Standards</b>
English Language Arts (ELA)	<a href="#">Wisconsin Standards for ELA</a> <a href="#">ACT Readiness Standards in Reading</a> <a href="#">ACT Readiness Standards in Writing</a>
