

# The Layton State Bank Financial Scholars Program

## What is the Layton State Bank Financial Scholars Program?

An online course that teaches important personal finance topics that help students prepare for real life challenges.

Layton State Bank's goal is to provide young people with engaging and effective financial education to prepare them for the future!

Students will earn a certification that they can use on their resumes and college applications.

## New Berlin Student Responsibilities:

Pass all 9 modules with a 70% or higher to become certified in financial literacy!

- Each module will take about 45 minutes.
- Students can re-take modules if they do not pass.
- Students will begin working on the modules in Advisory
- Students can work on modules from anywhere they have access to internet

## Program Incentives for Students

- Layton State Bank Incentive
  - **Certified** students will be placed into a raffle for 1 of (3) \$50 VISA gift
  - Students must earn 70% or higher on each module to become certified

- School District of New Berlin Incentive

Once students are certified they can opt out from attending the Advisory sessions scheduled to complete the program.

Teachers will monitor student's completion of the program

- Certification Ceremony

All students who participate in the program will attend a certification ceremony at the conclusion of the program. Speakers from Layton State Bank will attend, students will be awarded with certificates and the raffle winners will be chosen!
