

## Athletics/Clubs/Activities

As part of our co-curricular offerings, in which over eighty per-cent of our students participate, we offer opportunities which are academic, social, athletic, music and arts related. These clubs and activities allow students the opportunity to gain the skills identified in our school mission statement.

## School and Community

New Berlin Eisenhower (IKE) is a college preparatory high school and one of two high schools in the New Berlin community. IKE serves approximately 850 students in an upper-middle class community with an involved parent support group interested in academic, social and community success for their children who attend school.

## Well-Rounded Education

- A rigorous, college preparatory curriculum
- Block schedule allows additional time in core subjects
- One-to-one college guidance
- A safe & secure school environment reinforcing respect
- DUO program & other offerings encouraging civic responsibility and personal integrity
- Middle school students earning high school credit
- Honors courses for middle & high school students
- Fourteen advanced placement courses
- Six levels of world language
- Variety of elective course offerings
- Multiple fine & performing arts offerings
- A full range of athletic offerings

## Post High School Plans

2000-10 Graduating Class Size 210

95 percent of graduates plan on continuing their education. Eighty-eight percent plan to attend four year colleges or universities and eight percent plan to enroll in junior colleges and vocational/technical schools

Trip to Spain, including tours and local family stays.

## Class Ranking

Class rank for all students in grades nine through twelve is determined by the overall cumulative grade point average using only semester grades and separated by student grade level (ie. grade nine, grade ten, etc.). The formula used in calculating the student grade point average divides the total number of honor points accumulated by the total number of credits attempted.

The class rank includes only students who have taken all courses in the regular curriculum and/or those approved as regular curriculum courses by the school district and administration. Students who have taken modified courses or who have completed courses on a pass/fail basis will not be included in the class rank.

## Parent Group

The high school is fortunate to have a very involved parent community. Parents are interested in their children and the education they achieve, working as partners with the high school to gain knowledge and ensure appropriate opportunities, performance, effort and support on behalf of their student. We see this involvement at the school level through parent/student meetings, parent/teacher conferences, school activities, fundraising supports and other events that positively impact the students of IKE.

## Vibrant Community

Eisenhower can be identified as a vibrant learning community where all students are provided opportunities to learn with a focus on achievement in the core subject areas. This core focus is supported by an array of opportunities both inside and outside the classroom, where students continue to develop skills and grow as individuals. The faculty and staff are an integral part of the school community and an outstanding student resource, while parent involvement, interest and support completes the circle of dedicated interest in student success.

## Eisenhower Pride

Blue Ribbon School 2006  
Newsweek's Best Schools in America 2007,  
2008, 2009  
AP Commended School
