

Parent or STUDENT Mobile App

A parent can download a mobile app to their smart phone if their phone uses iTunes, Google Apps or Amazon app store. The details for the parents on how to install, setup, etc are found in the Infinite Campus parent portal.

After a parent or student logs into their portal, they see this below their inbox:

They click on the “Get Your District ID” button and another page with ALL the details they need appears. Remind them that the username and password should be THEIR PARENT USERNAME and password. Students can also use this app on their devices but they should enter their STUDENT USERNAME and password.
