

POPLAR CREEK PTO

Join the Parent Teacher Organization to make the next year the most memorable one yet for your student(s)!

Fun fact: If you have a student at or work at Poplar Creek, you are already a member of the **Poplar Creek PTO** - and I bet that means you have questions. Do you have to pay a membership fee? Nope. Are there any commitments? Nada. But what it does mean is you have full voting rights and can attend all the functions hosted by the PTO - and (we might be biased) our functions are fun.

JOIN US FOR A MEETING!

When: First school Monday of each school month

Time: 6:00 PM

Where: School Library

All are Welcome!

Can't wait to work together for our amazing school and kids!

READY TO GET INVOLVED?

PTO OPEN POSITIONS

Poplar Creek PTO families and staff help support so many of the things we love about Poplar Creek. As you see on the other side of this flier, there are so many things we help fund and support - and that wouldn't happen without people like you!

Below is the list of roles we currently need to fill for next year. You can lead as an individual, volunteer to co-chair an activity, or offer your time to an existing team.

Creek Crawl Committee: This is the big one! You can work with vendors to set up and run the Creek Crawl and/or assist with coordinating volunteers. The best part is seeing all the kids!

Passive Fundraising Chair: Are you more of the "behind the scenes" type? No problem! You can support your school by helping with our passive fundraising like box tops, scoobie coupons, Amazon Smile, and others.

Year Book Chair: Set up dates for pictures, work with yearbook vendor, assist at picture days. You'll also get to help with the photo cover contest, as well as the editing and distributing of the yearbooks.

Teacher Appreciation Chair: You know we love our teachers! In this role, you'll plan annual gifts and events to show our continued support and appreciation to our wonderful staff.

Carnival Chair / Committee: The most fun event of the year needs fun volunteers! You can work with vendors, organize volunteers, and make the end-of-the-year event magical!

6th Grade Committee: Send our graduates off the way they deserve! This includes planning and fundraising for graduation, the field trip, lock-in, and class gift.

Assemblies Chair: Research and book assemblies throughout the year with the guidance of Poplar Creek Administration

SPRING 2023

With every year, new board members are saying goodbye, so we always are looking for parents willing to be a part of our board for the next year! Here's where you can get involved:

PTO Board President: Don't be intimidated, it's a fun position. You can help and monitor events throughout the year, as well as make sure all have a voice and encourage membership. And once a month, you lead the PTO meetings.

PTO Board VP: In this role, you'll assist the president with their responsibilities and check in with the chairs each month. And, if the president is unavailable, you fill in.

PTO Board Communications Chair: Got a flair for communications? This is for you! Aside from keeping a record of PTO meetings and updating the agenda, you can assist and encourage enthusiasm with social media.

PTO Board Treasurer: If you're good with numbers, consider this role. You will handle PTO financial transactions, update PTO budget each month, as well as set up and collect cash boxes for PTO events.
