Partnerships Help Prepare Students for the Future

Greetings! You are receiving this School District of New Berlin *Partnership Bulletin* because you have attended one of our events in the past; you have indicated interest in a partnership with our school district; and/or we have been given your name as someone who may be interested in improving educational opportunities for students.

This e-newsletter is issued quarterly to celebrate our partnerships and communicate upcoming opportunities to get involved with our school district. Since our Partnership Breakfast in October (see below for a recap if you missed it), we've made a lot of progress with your support.

Thank you for helping us to provide relevant, meaningful learning opportunities to guide ALL students in planning for successful careers.

Respectfully,
[Joe Garza](#), Superintendent, School District of New Berlin
