

Dear Poplar Creek Families,

It is time for our annual basket raffle! The baskets are all complete and look fantastic! You will also find a link to the complete basket list today in the school Friday Newsletter. If you plan on attending the spring dinner on Friday, April 8th you can purchase raffle tickets at the event. If you cannot attend, you can still purchase raffle tickets and get in on the fun. You do NOT need to be present to win. Just fill out the pre-ordered ticket stubs with your contact info and the basket you'd like your tickets to go in and send them back to the office. We will place your tickets in the correct buckets for you. Winners who are not present will be called the next day and can pick up their basket at school on Monday, April 11th. So, feel free to sell tickets to your family, friends and co-workers!

We are selling the raffle tickets for \$1 each, 11 for \$10 or 30 for \$20. The tickets will be the same price whether you pre-order or buy at the event!

The money raised from the basket raffle will go to the Poplar Creek Parent Teacher Organization (PTO). The PTO sponsors events for the children such as field trips, assemblies, playground equipment, classroom supplies, year-end carnival, etc. Without the donations from families like yours, these events would not be possible.

If you would like to pre-order or cannot attend the dinner, but would still like to purchase raffle tickets, please fill out the bottom portion of this form and return it with your payment (cash or check made out to Poplar Creek PTO) in an envelope marked "Basket Raffle." We will promptly return your paid tickets to you. You will then need to return the completed raffle ticket stubs or bring them with you to the dinner/dance.

Thank you for your support,
Janelle Burch & Ashley Pelton
Basket Raffle Coordinators

****Pre-orders must be sent in by 4/6/2022, to get the tickets returned in time****

I would like the following raffle tickets:

Number of Tickets _____

Amount Enclosed \$_____

Please send my raffle tickets home with _____
(Student's name)

They are in _____ classroom.
(Teacher's name)
