Eisenhower Students to Perform at WSMA Honors Concert

Many of Wisconsin's most accomplished junior high and middle school music students (band, choir and orchestra) will perform in Madison on Saturday, October 31, at the Wisconsin School Music Association (WSMA) Middle Level State Honors Music Project concert.

Throughout the state 316 students in grades six, seven and eight were selected from more than 1,200 who auditioned in April 2009 to participate in the WSMA program. Auditions included individual student performances and an ensemble class, taught by an Honors adjudicator. Selection was based on several elements of music performance.

The WSMA State Honors Music Project brings Wisconsin's finest school musicians together to work with nationally known conductors in a professional setting.

Eisenhower students:
Minhi Kang and Julianne Heller

2009 marks the 15th anniversary of the Middle Level State Honors Music Project. The concert celebrates the extraordinary accomplishments of Wisconsin's finest young musicians. Students will perform for an audience of more than 1,500 during their concert at 1 p.m. on Saturday, October 31 at Marriott Madison West. Tickets may be purchased at the door.

Congratulations to these talented students in our orchestra program.
