

West Theatre Arts Program International

Thespian Society, Jr.

BACKGROUND: NBW has had a Thespian Society Charter membership since 10/05/1993. It was inactive since 2008. NBW TAP took over membership in 2012. In 2014, WEST TAP would like to add a Junior Society for 7th-8th graders. Must have 6 students signed up to create a new Charter! This new organizational structure does away with the previous NBW Drama Club. A student does not have to be a member of either the high school or middle school society in order to participate in TAP. Anyone can audition, work in crew and perform with the company.

MIDDLE SCHOOL FEE: ONE TIME FEE of \$10 per student 7th-8th graders. Upon entering the 9th grade, it is \$50 one-time fee to become a Thespian.

Benefits of Thespian induction

- Membership in the only international honor society for middle school theatre arts students. The High School Thespian Membership is a recognized demonstration of achievement and a valuable addition to college and employment applications.
- A membership certificate (see “Thespian credentials” below).
- A personalized membership card (see “Thespian credentials” below).
- Leadership opportunities at the troupe, chapter, and international levels.
- Work within the Charter Membership of the High School Thespian Membership.
