DISTRICT RESPONSE TO TRAGIC ACCIDENT

The School District of New Berlin and greater community are responding to a tragedy due to a fatal car accident that took place on Sunday, February 12th. This tragedy claimed the lives of three family members of one of our students in the school district. The school district has been working closely with the New Berlin Police Department, and staff members are working collectively to support our students and their families. The district is also encouraging those who may need additional support to utilize the district's Student/Family Assistance Program. Our thoughts are with the families of those involved in this accident.
