

## GIFTED AND TALENTED SERVICES

Identification of Talented and Gifted students shall occur in kindergarten through grade 12 as required in s. **118.35(1)**, Stats. Students may be identified in one or more of the following categories:

- general intelligence
- specific academic area
- leadership
- creativity
- visual and/or performing arts

The identification process shall result in a pupil profile based on multiple measures, including but not limited to standardized test data, nominations, rating scales or inventories, products, portfolios, and demonstrated performance. Identification tools shall be appropriate for the specific purpose for which they are being employed. The identification process and tools shall be responsive to factors such as, but not limited to, pupils' economic conditions, race, gender, culture, native language, developmental differences, and identified disabilities as described under subch. **V** of ch. 115, Stats.

The school board shall provide access, without charge for tuition, to appropriate programming for pupils identified as gifted or talented as required under ss. **118.35(3)** and **121.02(1)(t)**, Stats.
