

STUDENT ACTIVITY FUND

It is the purpose of this policy to establish financial controls for the administration of the normal, legitimate, co-curricular and extra-curricular activities of student organizations.

Each activity covered by this policy must be recognized by the Board before monies can be collected or disbursed in the name of said activity.

The Board authorizes the maintenance of approved student activity funds.

All activities shall be on a self-sustaining basis. Funds that are inactive for greater than two (2) years will revert to the District's General Fund. Following graduation, the unexpended funds of the Senior Class will be transferred to the General Fund; however, each Senior Class may transfer remaining funds to manage reunions and other events of the class in the future.

Misappropriation of activity funds, which includes theft or any other misuse of funds, will result in discipline up to and including suspension, expulsion and/or termination of employment.
