

## **FORMULATION OF ADMINISTRATIVE RULES AND REGULATIONS**

The Board shall delegate to the superintendent the function of designing and specifying the detailed arrangements under which the schools will be operated, as well as those administrative rules and regulations constituting the governance of the schools and their programs.

The administrative rules and regulations must be consistent with the policies adopted by the Board. The Board shall formulate and adopt administrative rules and regulations when specific state laws require Board adoption and may do so when the superintendent recommends board adoption in light of the district's vision statement and district goals, projects ~~or~~ and initiatives (GPI's).

The board will be notified of significant changes to the administrative rules as necessary.
