

FORMULATION, ADOPTION AND AMENDMENT OF BOARD POLICIES

The New Berlin Board of Education shall insure the effective and efficient operation of the schools by setting forth in policy form such decisions as it shall make from time to time regarding the general operation of the School District. By definition, a policy shall be a statement of principle or an operational procedure established and approved by the Board to guide the decisions of the Board and the administration.

Policies and procedures shall be reviewed on a regular basis and updated as necessary and be in compliance with existing state and federal laws, and District Vision Statement.

The Board authorizes the superintendent and/or his/her designee to develop and implement procedures to policies when appropriate. The district will post all policies online.
