

Notice: Student Academic Standards for the School District of New Berlin
August 14, 2017, Board Meeting

In support of our “[Vision of our Graduate](#)”, the School District of New Berlin will provide a rigorous and relevant curriculum delivered by high quality educators who use innovative and research-based teaching strategies, technology and mentorship to ensure students can transform knowledge and skills into solutions, new information, and products. We strive to prepare all students for success in a global 21st century work environment.

The standards listed below have been identified and selected to align expectations for students with key external assessments (ex. WorkKeys, ACT, SAT) used for college and career.
