Community Engagement Session: School District of New Berlin Facility Needs

An opportunity to learn, ask questions and offer feedback

New Berlin, Wis. – As part of its long-range facilities planning process, the School District of New Berlin (SDNB) invites community members to a presentation and discussion on facility needs at its six schools.

When: Monday, April 22, 5:30 p.m. (prior to the Board of Education meeting at 6:30 p.m.)

Where: New Berlin West School Library, 18695 W. Cleveland Ave., New Berlin

What: Chief Finance and Operations Officer Roger Dickson will discuss facility needs across the District. Following the presentation, the District will welcome questions and feedback from attendees.

More info: The School District of New Berlin is currently developing a Long-range Facilities Plan. The District is reviewing needs, potential projects, plans and financing options. For more information and to offer feedback online, visit www.nbexcellence.org/facilitiesplan.cfm.

Questions may be directed to Melinda Mueller, Director of Communications at Melinda.Mueller@nbexcellence.org or (262) 789-6225.
