DISTRICT RESPONSE TO STUDENT DEATH

The School District of New Berlin and greater community are responding to a tragedy due to a student death that took place between Friday evening, May 25, 2012 and Saturday evening, May 26, 2012. This tragedy claimed the life of New Berlin West student Panayiotis (Taki) Panagiotopoulos. The school district is working closely with the New Berlin Police Department, counselors, and staff members who are working collectively to support our students and their families. In addition to school counselor and staff support parents are encouraged to utilize the district's Student/Family Assistance Program (800) 236-3231. Our thoughts are with the Panagiotopoulos family and all of those affected by this tragedy.
