

New Berlin Athletic Association

Baseball/Softball Registration

On time registration ends on Feb 28th, At that time we will decide on the number of teams we will have at each level. Any registration received after that date will be placed on a team ***only if there is room.***

NBAA Baseball/Softball registration is now open and runs through the start of the season

Registration will be done on line again this year, however we have switched hosts so you will need to create a new account.

You will go to a secure site, create an account and fill in your information then pay with a credit card. No more mailing in forms.

Registration details at: www.nbaasports.com

We will be joining forces with Whitnall and Greendale at certain grades this year. The idea behind this is so the teams don't have to play the each other 3 times, they get a chance to play other teams.

At least half (or more) of the games will be played in New Berlin, all practices will be in New Berlin.

Teams will not be intermixed with the other communities.
