

GIVE

EDUCATION DAY

MARCH 24, 2021

The School District of New Berlin is participating in Alumni Nation's first annual Give Education Day.

Give-Education Day is a chance to honor our very own front line workers with a donation to the SDNB. While some school districts are just now starting to get back in the classroom, the SDNB has had our doors open all year offering New Berlin families a choice between in-person and a robust virtual experience. Donations will be used to recognize and reward staff for rising to the challenges brought on by COVID during the 2020-21 school year.

Although the actual "Giving Day" is Wednesday, March 24, our donation page is live now. Consider making a \$20 donation in recognition of a successful 2020-21 school year. When you do, you'll be able to share an appreciation "shout out" to a special teacher, support staff member or team. Check out the event URL or QR code below to donate.
