

Try Explore a Career at IEWC **BEFORE** you **APPLY**

Not sure what's next? Come see what it's like to work at IEWC—before you apply.

Opportunities

Participants will get to hands-on experience building control panels in our training academy. Get hands-on exposure to the work we do every day:

- **Mechanical Assembly** – See how components come together
- **Wiring & Electrical** – Learn the basics of control systems
- **Experience a day at IEWC's Bevco Engineering control-panel facility**

Details

- **Where:** IEWC's Bevco facility
W222N5739 Miller Way, Sussex, WI 53089
- **Duration:** 4 hours
- **When:** Wednesday, April 29 at 3pm
- **Perks:** Pizza & Giveaways

Why IEWC?

At IEWC, you're not just getting a job—you're building a future.

- **Employee Ownership (ESOP)** – Share in the company's success
- **Bonus Opportunities** – Get rewarded for your contributions
- **Team Environment** – Work with people who support your growth

Is This for You?

This program is designed for people exploring career paths outside of traditional post-secondary education.
