Passing of Longtime Eisenhower Math Teacher and State Champion Football, Softball Coach Jeff Setz

Aug. 26, 2016 – Jeff Setz, a longtime math teacher and head football and softball coach at New Berlin Eisenhower, passed away last night after courageously battling cancer since early last spring. He was 65 years old.

“Jeff spent his entire adult life teaching and coaching youth in our community,” said Eisenhower Athletics and Activities Director Kevin Fitzgerald. “His impact on students, both in academics and athletics, is immeasurable. As a staple in the New Berlin community, Jeff touched the lives of thousands through his positive nature and unwavering love for his students.”

Jeff Setz led the Eisenhower football team to its first two state titles in 1995 and 1996 and the Lions softball team to the state crown in 2008. He was inducted into the Wisconsin Football Coaches Association Hall of Fame in 2007 and will likely someday be inducted into the Wisconsin Softball Coaches Association Hall of Fame as well.
