

KPrep

We are excited to be able to offer our kindergarten prep summer course for students who will be incoming kindergarten students in the fall of 2021.

In order to register for this course, families will need to have an Infinite Campus Kindergarten Registration in place for their child.

If you have already registered for kindergarten, please contact Michele Hitt at michele.hitt@nbexcellence.org and give her your child's name and date of birth. Michele will set your child up in Infinite Campus as a summer school student so you can register for the kindergarten prep class. You will receive an email confirmation to notify you when this process is complete.

If you have NOT already registered for kindergarten, go to this link to complete the online registration: www.nbexcellence.org/prospective/how-to-enroll.cfm. Once you have completed the online registration, and received your approval email, you will need to contact Michele Hitt at michele.hitt@nbexcellence.org
