Note from the Principal

On behalf of our entire school community, I welcome you to Orchard Lane. Our dedicated, knowledgeable, caring staff work together to make sure that our students reach their potential. We believe it is everyone's responsibility to empower children with the creative, intellectual, and decision-making skills necessary for them to become academically, emotionally, and socially successful, responsible, and future ready.

Orchard Lane Elementary is a great place to learn. I encourage you to continue to explore our school website to learn more about our STAR quality school, students, and staff.

Shine like the STAR you are!

Amy Fare, Principal

SCHOOL MISSION:

The Orchard Lane community is unconditionally committed to accepting and meeting the needs of all children as they become lifelong learners and responsible citizens.

College & Career Readiness Elementary Focus: Awareness

The School District of New Berlin is committed to providing a solid foundation for all students to be successful in their chosen path after graduation. We believe all students should graduate confident that their knowledge, skills and dispositions are sufficient to pursue the personal, academic, social and career goals that they set for themselves.

Elementary school is a time when students find out a great deal about themselves. Here at Orchard Lane we look forward to supporting their development by providing a number of intentional experiences designed to provide a strong foundation to inform their planning when they get to middle/high school including:

- Jump Into Your Future Day
- Junior Achievement BizTown
- Introduction to Academic and Career Planning

You may find out more information about these activities at: www.nbexcellence.org/district/acp-elementary.cfm

Technology

Our teachers frequently utilize technology tools and online applications to deliver instruction and create meaningful, customized learning experiences for our students. Through these digital practices, we are better able to focus on how our learners develop the skills that are important for success in today's world - skills such as creation, communication, critical thinking and collaboration.

1:1 All students in grades 4,5 and 6 are part of the district's 1:1 Digital Learning Initiative, and will be provided with an iPad for use during the school year. Students in grades K-3 will have access to an iPad cart.

Did You Know?

A favorite annual event is Orchard Lane's High Interest Day where numerous volunteers, ranging from high school students to senior citizens, lead dozens of sessions ranging from juggling, marbles, historical wargaming, wrestling, yoga, lacrosse and even quidditch. We also enjoy our annual Career Week ending with Jump Into Your Future Day. Throughout the year, students also enjoy participating in Writing Day, 100th Day, and other events.
