As the season grows busier, it's more important than ever to pause and reflect. We invite you to join us for an enriching evening on Tuesday Jan. 28, focused on how you can bring the concepts of Growing Healthy Minds into your home and family life.

Over the past eight weeks, children in first and fourth grades have been learning valuable tools and techniques to foster mental well-being and emotional resilience. Now it's time to explore how these practices can be integrated into your family's daily routines. This event is open to families of all grade levels.

We'll share additional resources to extend those lessons beyond the classroom and offer a chance to connect with fellow parents and caregivers in a supportive, relaxed environment-with dinner included! Plus, you'll have the opportunity to create breathing sticks to take home!

You may join these sessions at your child's home school or another school if their

scheduled date works better for your family (See registration form for dates/times at the other locations).

Please register using the link provided: <https://forms.gle/PfMGdeeDrdYaE41S7>

For additional information, please refer to the flyer.

If you have any questions please contact Shannon Wysocki, School Social Worker at shannon.wysocki@nbexcellence.org or 262-789-6216.

WHERE SPANISH COMES ALIVE!

Studies show that children learn another language more easily when it is a topic that they find fun and interesting. This year's Vamos series incorporates useful and exciting Spanish vocabulary, culture, and conversation skills.

In our **¡Vamos con los Animales!** (Let's go with the animals!) class, students will experience imaginary animal adventures with hands-on lessons "visiting" a pet store, a family farm, the zoo, the ocean, and even the rainforest!

Don't miss out on this valuable opportunity for your child to practice Spanish in an interactive bilingual classroom!
