Students also just completed their winter Fastbridge Assessments! Students took their time, thought through each response, and worked very hard to 'show what they know'.

We will be meeting with each grade level team next week to analyze the results of these assessments, along with other student data (unit assessments, SAEBRS, report card grades,

daily class work, etc.) and then plan re-teaching, extension, and Coyote Time opportunities for learning!

Kindergarten & First Grade Fine Arts Night!

We are getting so excited for our Kindergarten and 1st grade Fine Arts Night! It's just around the corner Thursday, Feb. 15. Students should be in their homeroom between 6 and 6:15, and the concert will begin at 6:30. There will be art displayed that they have been working on. We count on every musician participating to help make the evening truly remarkable. We ask that students try to dress nicely, avoiding sweatshirts / sweatpants / athleisure if possible. Heeled shoes can be dangerous on the risers, so please save them for a different occasion. Please contact Ms. Polak (music) or Ms. Seely (art) with any questions.
