Happy Spring Break Poplar Creek Families!

When we return after our week off, the 3rd quarter will end April 3...that went by so fast!

4th and 6th graders have begun Forward (the Wisconsin State Exam) testing and are taking their time, carefully reviewing each question, and really working hard to 'show what they know' :)

3rd and 5th graders will begin testing after break and we want to thank our PTO members for their support of all of our students during this testing window.

They made motivational signs for each classroom and bought healthy snacks so that kids would have everything they need for a comfortable testing environment.

Thank you for your support as we continue to create a positive culture of assessment here at PC!

Your child's winter Fastbridge results are now in your Infinite Campus Parent Portal.

The sixth grade band students recently completed a very successful Band Olympics!

The Band Olympics takes place annually in band and it's a great way for the students to hone their instrument playing and note reading skills.

This year the country of "Parthenon Percussion" won but we had some wonderful competitions and sportsmanship from all involved!

Bravo to the medalists and all of the participating band members!

After School Activities

CHARACTER KIDS

AFTER SCHOOL THEATER CLASSES

Journey "under the sea" with Ariel and her aquatic friends in The Little Mermaid!

In our spring session of After School Theater Classes, students will work on a mini-script adapted from Disney's Broadway production and the animated motion picture.

(This session was previously scheduled to be The Spongebob Musical.)

This 8-week session at Poplar Creek runs Thursdays, 3:50-4:50 pm, April 11 - May 30. New and returning students are welcome.

Parents are invited to a special performance on the last day of class.

Focus is put on developing imagination, social skills and a positive self image through the performing arts.

Approaching the Difficult

a Self-Study Online Course

Enhance your sense of resilience in navigating adversity.

While we all have a certain amount of resilience, it is also a skill we can cultivate.

In this online course with optional small group discussion, we'll examine how the tools of mindful awareness can help us increase the sense of resilience we feel when navigating life's difficulties.

Free for all District Parents & Guardians - Open enrollment available through April 1. [Sign up today!](#)
