Heritage Christian Schools offered the District \$1,750,000 for the Glen Park property. The Board accepted the offer subject to approval by the electorate. A special meeting of the electorate is scheduled for Monday, May 12 at 6:00 p.m. in the New Berlin West Idea Center. At this meeting the electorate will consider a resolution to approve the sale of Glen Park under terms and conditions satisfactory to the Board. Glen Park closed at the end of the 2011-12 school year due to excess elementary school capacity and for budget savings.

“The Board has listened to the concerns of the Glen Park neighborhood,” said Board President Dave Maxey. “We are pleased at the opportunity to preserve this property as a school and are hopeful that community members will support the sale.”

#### **Little Grove Elementary – 3800 S. Racine Ave., New Berlin**

The Board accepted an offer of \$195,000 from Krish Narayanan for the Little Grove property. The sale of Little Grove was previously approved by the electorate.

Funds gained from surplus property sales will be used to complete projects identified in the District’s Long-Range Facilities Plan.

Chief Finance & Operations Officer Roger Dickson said the sale of these properties will enable the District to improve learning environments for students. “This revenue will allow us to address facility needs in our active buildings.”

The following District-owned surplus properties are still on the market (click on the links for sell sheets):
