Pathway to Registered Nursing (RN)
SCHOOL DISTRICT OF NEW BERLIN

1

School District of New Berlin's pathway is designed to allow flexibilty for students to earn transcripted credit, dual enrollment credit, and AP experiences that will maximize entrance and preparation for a 2 year, 2+2, or 4 year program. After taking the core and Youth Options coursework to the right, in addition to taking other SDNB graduation requirements, passing mandatory assessments (NLN- PAX and the ACT), and earning above a 3.0 GPA; students will be directly admitted to the WCTC's nursing program after a petition.

ADVANTAGE: A student can work as a CNA during Step #1 and after the CNA course and can complete 3 years of WCTC coursework in 2 years.

CORE COURSES:
- __ CNA (WCTC course at Eisenhower)
- __ AP English Language
- __ Oral/Interpersonal Communication (TC)
- __ AP Psychology
- __ Introduction to Sociology (Youth Options)
- __ Anatomy & Physiology 1 (Youth Options)
- __ Anatomy & Physiology 2 (Youth Options)
- __ CPR for Health Care Provider (Youth Options)
- __ Chemistry or AP Chemistry
- __ Developmental Psychology (Youth Options)
- __ Microbiology (Youth Options)

POST-SECONDARY ELECTIVES at SDNB:
(need at least the equivalent to 5 WCTC credits) examples: Medical Terminology (TC), Intro to Computing Healthcare (TC), Health Care Careers (TC), AP Biology, AP Physics 1,2, or C

2 at WCTC
