

Mad Science Is Coming To Poplar Creek Elementary!

Presenting – Fantastic Forces!

Children will engage in hands-on activities, watch spectacular demos, and build fun and educational projects to fuel their future explorations!

Topics covered in this session's classes:

- ★ Physics
- ★ Engineering
- ★ Illusions
- ★ Flight

And much more!

Mad Science® After-School Programs

- ★ Meet national and state science curriculum standards.
- ★ Are led by trained, qualified, and dynamic instructors.
- ★ Follow professional lesson plans.
- ★ Use unique equipment and original materials.

Details: Mondays 3:55pm – 4:55pm

Class Dates: 6-week program – 9/22, 9/29, 10/6, 10/20, 10/27 & 11/3 2025

Skipping 10/13

- **Cost:** \$152.50 or register by September 15th to receive an automatic discount!!
- **Appropriate for students in K - 5th grade**
- **All classes held at Poplar Creek. Classes will be split as needed.**
- **All classes include cool take home items.**

Registration Deadline: Thursday, September 18th 2025

Visit our website milwaukee.madscience.org to take advantage of the Early Bird Special.

Or mail Registration Form and full price payment to:

Mad Science 2855 S. 160th St. New Berlin, WI 53151

Space is limited – registration is on a first come – first served basis – register today!

See the back page for complete class descriptions and policies at your child's school.

PLEASE DO NOT RETURN REGISTRATION FORMS TO YOUR CHILD'S SCHOOL

Fantastic Forces Classes Include:

Fantastic Fliers

Fly through flight and aerodynamics basics! Discover the four forces that affect flight. Make and test various plane designs to see these forces in action! Build your flier to take home and fling it forward!

Science of Magic

Learn the science behind illusions, read minds, and perform a Houdini-style escape! Amaze and amuse friends and family with the Curious Cube™. It's not magic—it's science!

Under Pressure

Join Bernoulli as we take an exciting look at the science behind air pressure. Create a vortex with an Airzooka, and make pucks and balls levitate with air pressure! Launch foam rockets with the Air Blaster™.

Whacky Water

Simulate the effects of an ocean oil spill and develop creative techniques to clean it up! Create your own Wave Modulator while learning about water, waves, and the environment.

Fun Forces

What do gravity, inertia, and centripetal force have in common? They are all part of the fun in this introduction to physics. Feel the pull of precession with the bike wheel gyroscope and strike the perfect balance with the Gravity Game™.

Super Structures

Act like junior architects and engineers! Discover the hidden strength of triangles, arches and cylinders. Use combinations of shapes to build your own super-structure! Construct a structure from scratch with the Bridge Basics™ kit.

Important Details -

PLEASE DO NOT RETURN REGISTRATION FORMS TO YOUR CHILD'S SCHOOL. Forms returned to the school do not guarantee enrollment in Mad Science.

Registration is limited and on a first come, first served basis. Avoid disappointment and register early! To guarantee your child's spot, we highly recommend registering at Milwaukee.madscience.org today! Registrations can be completed by phone at 262-330-5029. Please consult the front of this form for specific enrollment information.

Mad Science is held onsite at your child's school. Students will be grouped by like grades when possible.

All supplies and materials are included in the class fee. Each week the kids will receive a take-home item and take-home card that will enable them to continue the fun and learning at home!

You will not receive a confirmation letter. You will be contacted only if there is a problem with enrollment.

Any questions????

Feel free to call us at 262-330-5029

To avoid any mix-ups, please remind your child to go to Mad Science after school on class days. It's also a good idea to send the teacher a note instructing the child where to go. Our instructors are not able to leave the classroom to look for absent children. An announcement will be made on the first day of class directing the children where to meet.

Mad Science is not responsible for children before or after the stated class times.

Please pick your child up promptly after Mad Science at the school designated location for dismissal. If you are going to be late, please make arrangements to have your child picked up by someone else or attend after-school care if available. If your child attends after school care, they will be walked there at the end of class.

Late pickup will be charged after a 5-minute grace period at the rate of \$1.00 per minute and must be paid to the Mad Science office prior to the start of the next class for your child to continue.

For refund requests made more than one week prior to the start of the program, a \$25 processing fee will be deducted. No refunds or credits will be issued with less than one week's notice. No refunds or prorated fees for missed classes for any reason. There is a \$30 fee for all returned checks.

If a class is cancelled due to inclement weather or an unexpected school closing, we will attempt to schedule a make-up class. We are unable to offer a refund for classes missed due to unforeseen circumstances. An alternate topic for a particular class may be substituted without notice if necessary.
